

Dangerous Currents

Avoid Dangerous Areas:

- Stay in designated swim areas.
- Avoid swimming near piers and breakwalls. Many fatalities have occurred.

If trapped in a dangerous current:

- Swim to the side, out of the current, and then to shore.
- If in danger, call for someone to throw a life ring or anything that floats.

Dangerous Current awareness is part of a state and regional effort led by Michigan Sea Grant in collaboration with the NOAA-National Weather Service, the Michigan Department of Environmental Quality (MDEQ), the Michigan Department of Natural Resources and others. Sign design supported, in part, by the Michigan Coastal Management Program, Office of the Great Lakes, MDEQ, under the National Coastal Zone Management Program, through a grant from NOAA, U.S. Department of Commerce.
